How Red Is The Zionist Controlled NAACP?

Rev. Kenneth Goff

At the very beginning I wish to make it clear that the issue involved is one not of race but rather of subversion. None of the organizations which have exploited the race issue in this country has ever had the welfare of the negro people at heart. They have seized upon this issue as a convenient front for their more nefarious activities and as one with which they could dupe naive do-gooders, fuzzy-minded intellectuals, misguided clergymen and radical journalists to be their pawns.

1- The record shows that the National Association for the Advancement of Colored People was neither founded nor is presently directed by colored people. It was originated in N.Y. city 46 years ago as the brainchild of a Russian-trained revolutionary named William E. Walling.

2- Of its 5 founders only one was even part negro—a Communist-sympathizing lawyer named W.E.B. DuBois (72 C-F citations) whose record of participation in Communist, Communist-front and subversive organizations and activities, taken from the files of the Committee on Un-American Activities of the U.S House of Representatives, requires 8 pages of single-space, typed copy to outline. Among his more recent activities of this nature, was the donation of his services in the preparation of legal briefs defending since-executed Communist spies Julius and Ethel Rosenberg, and the imprisoned leaders of the Communist Party of the U.S. In 1953, he was awarded the International Peace Prize by the "Communist-front" World Peace Council, in recognition of his participation in the sponsorship of the series of Communist-dominated World Peace Conferences, held since 1949, and now is referred to by its officers and members as the organization's "Honorary Chairman."

3- The files of the House Un-American Activities Committee reveal records of affiliation with or participation in Communist, Communist-front, fellow-traveling or subversive organizations or activities on the part of the present officials of the NAACP the President, the Chairman of the Board, the "Honorary Chairman," 11 of 28 Vice Presidents, the Treasurer, 28 of 47 Directors, the Chairman of the National Legal Committee, the Executive Secretary, the Special Counsel, the Assistant Special Counsel, the Southeast Regional Secretary, the West Coast Secretary, the Director of the Washington Bureau, the Director of Public Relations and 2 Field Secretaries.

4- Board Chairman Channing H. Tobias (at least 50 Communist-front citations) was a member of the Executive Board and Co-Chairman of the N.Y. Committee of the "Communist-front" Southern Conference for

"ISLAND IN THE SUN" A RACE-MIXING PICTURE

Robert Rossen, director of this picture was a Communist Party member from at least 1937 to 1947 and took the Fifth Amendment in 1951. He met with the underground leader of the Communist Party, J. Peters (Goldberger) on May 3, 1942.

Darryl F. Zanuck (Jew) has spent three million dollars producing this picture as part of the Marxist plot to abolish segregation and force white and black children into close relationships in school. Zanuck was the first in Hollywood to produce an interracial picture several years ago. Remember "Pinky"?

This picture features Negroes and Whites making violent love. Harry Belafonte, Negro, makes love to Joan Fontaine, white, and Michael Rennie, white, ends his lovemaking by marrying Dorothy Dandridge, Negro.

Belafonte was discovered in a Greenwich Village, N.Y., hamburger stand by the clever Jewish brains of the entertainment industry. Millions of youngsters will (unless you as parents stop them) see this clever propaganda picture and be convinced that God made a mistake in creating some people white and some black. Such is the plan of the Marxist masterminds.

Belafonte recently divorced the Negress who had stuck with him through the "lean years" and married Julie "Robinson," a Jewess, daughter of Russian-born Jews. (see

N.Y. Post, 4/18/57) This woman, a dancer, toured Europe with the Communist-fronter Katherine Dunham.

Belafonte is being touted as having great "sex-appeal" for white women, a degrading appeal to debauchery. As a person he is described as one whose "conversation is a tumble of mis-applied words and incomplete thoughts." He has spent the past year on a psychoanalysts couch, probably due to his past, which included an AWOL from the U.S. Navy, passing himself off as a Frenchman, a period of dramatic training in the Dramatic Workshop, (which has produced almost as many Communist-fronters in theatre as Actors' Studio), and a stint on the road in the filthy play "Anna Lucasta."

One World—everyone on the same level.

One Religion—mix the races, do away with Nationalities—**One Language**—end patriotism for your country.

"Island In The Sun," like the NAACP, is organized and directed by Jews.

Human Welfare, which was charged in 1947 with "serving the Soviet Union and its subservient Communist Party in the U.S." He belonged, prior to 1949, to the "subversive and Communist" Council on African Affairs and was a member of the Editorial Advisory Board of the "Protestant Digest"—a magazine which "has faithfully propagated the Communist Party line." He sponsored the "subversive and Communist" People's Insti-

tute of Applied Religion and the American Committee for Yugoslav Relief and was a member of the Executive Board of the American League for Peace and Democracy, "the largest of the Communist-front movements in the U.S." He has sponsored conferences and activities of the "viciously subversive" National Federation for Constitutional Liberties, the "Communist-front" N.Y.

State Conference on National Unity and the "subversive and Communist" American Committee for Protection of Foreign Born and National Committee to Win the Peace.

5-Roy Wilkins (9 Communist-front citations) pro-red record quoted on June 17, 1936, by the N.Y. Daily Worker, the official publication of the Communist Party in this country, as attaching "greatest significance" to the 1936 National Communist Party Convention and stating that the Communist Party's racial program had had "a very wholesome effect" in the U.S. He was further quoted by the Daily Worker on July 15, 1949, as boasting that he had voted in the N.Y. elections that year, for since-convicted Communist Benjamin J. Davis. He is listed as a member of the National Committee of the "Communist-front" International Juridical Association which has "actively defended Communists and consistently followed the Communist Party line." He was a sponsor of the "subversive and Communist" Conference on Pan American Democracy, and of a joint meeting in 1937 of the "subversive and Communist" American League against War and Fascism and the "Communist-front" American Friends of the Chinese People. He has spoken for the "subversive and Communist" International Labor Defense and the Worker's Alliance, the former of which is regarded as the "legal arm of the Communist Party" in this country. These organizations are all cited in "guide to subversive organizations and publications" put out by the Government.

6- Of the NAACP's 28 Vice President's, the following 11 have records of Un-American activities:

John Haynes Holmes, 23 Citations; A. Phillip Randolph, 20 Citations; the late Mary McLeod Bethune (who still is listed as a Vice President) and Wm. Lloyd Imes, 16 Citations each; Oscar Hammerstein, II, the composer, and Bishop W.J. Walls, 7 Citations each; Ira W. Jayne and L. Pearl Mitchell, 2 Citations each; and Willard S. Townsend, T.G. Nutter and Grace B. Fender-son, 1 Citation each.

But of all the NAACP officials and policy makers listed in the files of the House Un-American Activities Committee, none has a record as notorious as that of W.E. DuBois

to whom I have previously referred as one of the founders and present "Honorary Chairman" of the Association. No less than 72 Citations of Communist, Communist-front and subversive activity are entered against his name—the latest of which was the statement he issued upon the death of Joseph Stalin reading: "Let all negroes, Jews and foreign-born who have suffered in America from prejudice and intolerance, remember Joseph Stalin."

8- NAACP was a member of American Youth for a Free World which was organized in 1942 and, in 1948, was described by the Cal. Un-American Activities Committee as "heavily infiltrated and effectively dominated by the Communist Party." The House Un-American Activities Committee in its 1951 Guide to Subversive Organizations and Publications described the AYFW as "a Communist clearing house."

9- A report made at a meeting of the Communist Party of the U.S. on July 16, 1946, showed the NAACP was one of a group of left-wing organizations invited by the National Committee of the Communist Party, to a meeting held in Chicago to form a "third party." That report, as detailed on pages 150-51 of the 1947 Report of the House Un-American Activities Committee, lists the NAACP as an active participant in the Conference at which the Progressive Citizens of America was formed.

10- In 1945, the NAACP sent its Branch Dept. Director, Gloster Current, to London as an official delegate representing the Association at the founding of the World Federation of Democratic Youth. This Federation was cited by the House Un-American Activities Committee in 1948 as "part of the Communist International solar system."

JEWS ARE BEHIND DE-SEGREGATION

From The Herald Tribune, June 21, 1955

Asbury Park, New Jersey—The Reform Rabbinate came out squarely for integration in schools today at the 69th annual convention of the Central Con-

ference of American Rabbis. The convention is being held at the Berkeley-Carteret Hotel.

The Rabbis indorsed a resolution submitted by the Joint Social Action Commission of the organization and urged Jews in all parts of the country to use their influence in their communities to make the integration decision of the Supreme Court effective.

Segregation For The Jews Only?

According to Ludwig Lewisohn (Jew) in his book "What is this Jewish Heritage?", Segregation is a Jewish necessity and prerogative, as opposed to their program for integration of Christian and Negro. We quote:

Page 12- Intensive Jewish education is proposed and a word is flung at the proponent. The word is "segregation." Or Jews establish a university. From certain quarters comes the strange word "ghettoization." But Jews exist. They exist, as was said long ago, as an historic group of recognizable homogeneity. Differentiated existence is in itself segregation. It is segregation by the fiat of nature or of God. Whoever, whether individual or group, seeks flight from his or its destined segregation, evidently seeks obliteration or death.

The word "segregation" will repay scrutiny. It means withdrawal of se (one-self) from the greg, the herd, the merely gregarious mass.

Page 14- In a society so menaced the act or fact of segregation, whether dictated by an historical destiny or in pursuit of an intelligible ideal, has a better chance of being good and fruitful and moral than almost any other human trend or act. He who has an historic separateness dictated by a great tradition and seeks to obliterate it, to throw it off, to destroy his segregation and merge himself into the greg, the herd, the mob, may not unjustly be called a traitor to the cause of the Western spirit, of those great traditions which must be saved if we are not to sink into barbarism. The intensity of a Jew's Jewishness is the measure of his service to this civilization in which we live.

Give Us Barabbas

Nineteen centuries ago and over, a Divinely created and inspired Man walked upon this earth. Had He come to us today, He would have found a nation living gaily beyond its means, both nationally and individually, a nation reeking with crime, a nation almost completely controlled both economically and politically by the money changers. Had He attempted to instruct our people and turn them away from their downward course, He would have been silenced and destroyed just as so many patriotic Americans have been silenced and destroyed during the present-day tragedy.

Christ found a replica of those conditions in Galilee. He labored unceasingly for the redemption and salvation of His people. But nothing could have saved Him after He drove the money changers from the Temple. The Pharisees demanded His trial. But Pilate could find no guilt in Him. It was the custom of the Roman government to release one prisoner at the yearly Passover. A word from the mob would have saved the life of Christ. Instead, they cried out: "Give us Barabbas" (a condemned robber)—Crucify Him, Let His Blood Be Upon Us and Upon Our Children." And so Christ carried His cross to His crucifixion.

This highly important historical fact should be of vital interest to us today when similar mobs are demanding the release of traitors and criminals while just laws, written for our protection, are so often brazenly flaunted.

The cry "Give us Barabbas" was heard around the world when the same old mob appealed for the release of the Rosenbergs. It has been heard for the release of every convicted traitor and in support of those undergoing investigation or trial.

The most recent demand of this kind comes from groups of professors, ministers and extreme liberals, seeking not only the pardon of traitors (mostly Jews) found guilty under the Smith and Security Acts, of planning the destruction of our government, but these groups go further. They not only cry for the release of Barabbas, but they demand the repeal of the laws under which the traitors were tried. It was J. Edgar Hoover who said: "I confess to a real apprehension so long as Communists are able to secure Ministers of the Gospel to promote their evil work."

Every informed person knows that the Jews are the instigators and leaders of Communism. The evidence from Jewish sources is conclusive on that point. The American people are not told the truth of the situation in Poland and Hungary. While those nations want their freedom from the U.S.S.R., the thing that they have been fighting for eleven years, is being ruled by cruel Jewish officials.

How strange it is that this problem of the Jew cannot be discussed on the floor of either House of Congress. It is the greatest problem before the world today because the Jew has infiltrated into every phase of world affairs, and he is behind the throne of every government. There can be no peace in the world until this problem is brought squarely into the open, thoroughly and frankly discussed, and settled for all time.

With all this evidence before us, why should we permit Zionist Jews to infiltrate throughout our Government? They are being appointed to vital posts where they can take a leading part in the active revolution, when it comes. Our people have short memories. As we view Hungary today, let us recall the words of Stalin when he said:

"I consider that the Communist Party of the United States is one of the few Communist parties to which history has given decisive tasks from the point of view of the World Revolutionary Movement. The revolutionary crisis has not yet reached the United States, but we already have knowledge of numerous facts which suggest that it is approaching. It is necessary that the Communist Party should be capable of meeting the moment of crisis, fully

equipped to take the direction of future class wars in the United States. You must prepare for that, Comrades, with all your strength, and by every means; you must constantly improve and Bolshevize the American Communist Party. You must forge real revolutionary leaders of the proletariat, who will be capable of leading the millions of American workers toward the revolutionary class war."

If this problem is not faced and solved by proper governmental action, the peoples of the world will one day be driven to solve it themselves, and it will be a sad day for the Jew. The action now taken by the Hungarian patriots will be world-wide. No Genocide Treaty will protect them when courageous citizens finally act to rid their respective nations of these inhuman pests*

Gen. George Van Horn Moseley

*I feel at liberty to use this word as George Washington referred to them in his Maxims as "pests of society and the greatest enemies we have to the happiness of America."

GHANA

A tremendous amount of publicity has attended the celebration marking the birth of the first independent Negro nation in Africa. Negro leaders from all over the world, U.N. officials, the Vice-President of the U.S., and many VIPS were present on March 6, 1957.

What no newspaper in the U.S. has revealed however, is that the Prime Minister of Ghana is a Communist Party member, and that Ghana is a Communist-run State. Therefore it is not surprising at all that VP Nixon was not seated on the dais during the celebration, while the Communist Vice Premier of China was.

A survey of the Communist press is all that is necessary in determining the true facts. The Daily Worker, 3/10/57, p. 11, reviews "Ghana," the Autobiography of Kwame Nkrumah. (Nelson, N.Y. \$5.00)

In the review of this book detailing the life of Ghana's Premier for the last 5 years (under the British Commonwealth) this flat statement is made: "Kwame Nkrumah is not only a man who served time in jail as an alleged Communist. He is a statesman who proudly asserts in his autobiography that he is a Marxist Socialist. He does not merely admit that he associated with Communists; he boasts of having learned from Marx and Lenin and from the experiences of American and British Communists."

Dr. W.E.B. DuBois (72 Communist-front citations) and his wife, were invited to Ghana on Jan. 22nd, by Nkrumah for the launching of the nation. They had met in 1945 at the Pan-African Congress, (a Communist conclave). The State Dept. refused DuBois a passport on Feb. 28th, whereupon DuBois wrote an open letter in the Communist National Guardian, addressed to Nkrumah as Premier of the new Dominion of Ghana, calling upon him to found a Pan-Africa (encompassing all Africa) based on socialism in cooperation with the USSR. Nkrumah cabled his regrets to DuBois when he learned DuBois was refused a passport. (Daily Worker 3/14/57)

Lester B. Granger, with many Communist-front citations and head of the Urban League, was present in Ghana, as was Cedric Belgrave, Communist editor of the National Guardian who was kicked out of the U.S. as a Communist by the Justice Dept. Granger, in an interview, tipped the real truth as to Ghana's importance (other than as the Red symbol of black rule in Africa). He stressed the importance of developing the nation's bauxite and manganese deposits, backed by the U.S.

The notorious Red-fronter, Adam Clayton Powell (73 Communist-front citations) was also present in Ghana, as was the Rev. and Mrs. Martin Luther King, A. Philip Randolph (45 Communist-front citations) and Ralph Bunche (7 Communist-front citations and identified as a Communist Party member by Manning John-

son). Appears like a big Red home-coming affair. Why did you not read this in your regular newspapers? Yes, why?

TERROR IN GAZA

Gaza
April 5, 1957

Dear Friends of Ours:

Thank you for inquiring about us during the period when we were in danger.

The Israelis took over Gaza Nov. 2, 1956, and as they entered they killed all the men that appeared in front of them, whether military men or not. They entered the homes and threw the young men out, lined them up and shot them in front of their parents, wives, brothers and sisters without any reason or cause. Those who were killed in this manner numbered 250.

Yesterday 100 corpses were discovered, 39 of which were returned by the United Nations Authorities to their families. The rest were returned later. There are 500 who are unaccounted for and we do not know anything about. A few days after they took over Gaza, they asked all men to leave their homes for inspection. While this was taking place, the Israeli soldiers stole the money, Jewelry, cigarettes, radios and everything that was light and expensive. Those who didn't abide by their order were lined up and machine gunned. These were the ones of the 39 bodies.

Dear friends, is that the country that the U.S., France, and England claim to be democratic? We are not Communists, but we don't want that kind of democracy either.

They (the U.S.) say they want peace and they want to stop Communism from swallowing our country. Why in God's name do they want to stop us from getting arms from any country, even if it was a Communist country, to defend ourselves? Here their country (Israel) made refugees out of us and displaced us, and it sheltered foreigners from different parts of the world.

Those who were killed in Khan Yunis in the manner mentioned above were 655 killed because of no wrong they had committed or fault of their own besides being young. One hundred and fifty of those were towns-people while the rest were from the refugees. There isn't a family in Khan Yunis that did not lose a martyr; some families lost as many as nine persons.

The same thing happened in Rafah, Khuza'ah and Buriah. We heard that the U.S. is going to help Israel economically and after that the U.S. wants us to like her and love her. Why? Because she is helping Israel to displace us and its humanistic economic help is helping Israel to stand on its own two feet and again attack us. We should thank the U.S. for that?

When we were graduated from the American University of Beirut, Lebanon, we put the Americans next to the Gods and we believed that they were perfect human beings. But after our experiences with them, that disappointed us greatly. They fell from their high place to a very low point in our eyes. The way they think is not straight and is beyond the understanding of any one of us who is fighting for his freedom.

The Israeli soldiers stole all the money in the Arab Bank; that was 149,059,655 Egyptian pounds (\$417,369.03). We reported the theft to the U.N. Authorities, and what was strange was that the Israelis admitted that they had stolen it and began to bargain politically to return it. They wanted something else in return.

When they left Gaza, they kidnapped a number of young men. The families of those who were kidnapped do not know anything about them. In spite of all the efforts of the U.N. forces and authorities in search for them, there is no news about them. What more can I say about the atrocities that were committed?

Sincerely yours,

Negro Minister Speaks Frankly

WEBSTER McCLARY

Local Pastor St. Paul M. E. Church

To the people of Williamsburg County, South Carolina:

There are times to speak and times to keep quiet and this is a time to speak.

I am a negro who was born and raised in your county. At present I am serving as local preacher in St. Paul M. E. Church near Kingstree, S.C. During the week I farm my own land and also run a licensed taxi service in town. I belong to the Free & Accepted Masons, to the Grand Order of Odd Fellows and to the Joint Stock Society. It has been reported that I belong to the NAACP also.

First, let me say to my white friends that I have never belonged to the NAACP and never expect to. I'm too free and happy praising God, working hard and living in the friendship of both races.

I ask you to show this to your colored friends.

Second, let me say to my colored brethren and sisters:

You are doing a lot of talking about White Citizens Councils. You say they are not like a bunch of young drunks whooping and hollering on a possum hunt. You say Councils are springing up quiet as mushrooms in the night. And, you say right. Those are smart steady men and they mean business. They have told you there won't be any mixed schools hereabouts and I'm telling you you can depend on that. You can quit your secret worrying and fretting about mixed schools for most of you don't want them any more than whites do. You just didn't know how to keep from having them.

I can say this to any negro who has it sticking in his craw that he can be happy without trying mixed schools. All you have to do to get your heart's desire is buy a ticket to Philadelphia or other points north where they are already mixed. Nobody has to tell you that colored children don't learn books as fast as whites. But see for yourself how pitiful your big colored children will look in the same grades with smaller white children. Have you got enough money to dress your brood in clothes they won't be ashamed of? Go ahead and try it if you must. But don't be fool enough to slam the door in your white friends' faces before you go. You might want to come back like I did after I had lived up there a while. How, if you come home and find the door locked? Your old key won't be much good in a door fastened with a dozen ten-penny nails. Who is going to help you then? Will the NAACP give you a handout? Laugh, folks, laugh!

The years I lived in Philly and N.Y., I made big money as a house painter but it took it all to keep going. When I finally came back home I hardly had one dime to rub against another. What did I do? I went to my white friends and got a job. Later, who lent me money to start farming? Who sold me seed and fertilizer and mules on credit? When dry weather ruined my crops, who let my debts ride till the next year? Who let me have groceries and clothes on credit when I needed them? When I was sick, who fed and clothed me free? Not the Red Cross, not the Welfare Dept., not the NAACP, but my own white friends. I say God bless them and their seed.

Now please don't take the notion that I'm talking against my own race. I am not. I'm trying with the help of God to lead my people right. I'm warning all you negroes not to be misled by a few NAACP folks you see strutting their stuff in your community. Remember the old saying, "Give a calf enough rope and he will hang himself." Just keep an eye on the calves around you and you are apt to see a show turn into a circus. If you are one of the calves, cut the rope now. Come out into

the open and throw your weight for equal but separate schools where negro children can learn to take pride in their own race instead of being ashamed of it.

White Folks have politely appealed to us negroes to use sense and look far ahead but they won't be surprised if we don't because we never have. Right now, I'm not appealing to you colored people about the distant future, I'm telling you about the present. If you are in the NAACP you had better get out while the getting is good. The White Folks have told you straight and honest. They don't blame any negroes for joining before they realized the NAACP was set to stir up trouble between the races here at home. But now things have busted wide open. Common horse-sense will tell you that every negro who stays in the NAACP and stays in the South is planting briars in his own path and briars can grow powerfully fast in a southern climate.

Did you read in the papers about Councils in other counties "Exercising Economic Pressure?" Do you know what that means? I didn't either till I had it explained to me. In our kind of talk it means getting fired from a job or having your credit cut off. Be fair. If you were paying wages to a fellow and found he was double-crossing you, what would you do? You would fire him so quick it would make his head swim. He would be lucky if he didn't get a kick in the pants for good measure. As for giving him credit, who? You?

If you think the NAACP will get those lost jobs back get somebody to explain the meaning of the news from Washington in the papers with big print in the top line saying, "Justice Department Lacking Interest in Economic Pressure."

Listen my colored brethren and sisters: Come out into the open and tell the world it's equal schools you want, not mixed. If you are too bashful, get somebody else to speak for you. Get on the winning side while you can. Forget the NAACP and the Supreme Court before they forget you. How long do you think they are going to stay in a lather trying to force mixed schools on South Carolina with all the whites, reared back on their hind legs, saying, "We won't have them!" and three-fourths the negroes slipping around to whisper, "We don't want them!" Take an open stand with your white and colored friends so things can settle down.

Let's all work together again on the program to build equal schools so your children can get a good education before they get gray-headed. Beg your Christian leaders to furnish you with good leadership. What this country needs is more Christian leaders on both sides who will teach their people to pray more and work toward friendship and peace and prosperity instead of mixing breeds against God's plan.

My friends, let all the nit-wit talking about mixing races go in one ear and out the other. It was God Almighty's plan to have a white race and a negro race and when Gabriel blows his last trumpet, the two races will still be on earth to answer. The sprinkling of mixed-breeds will only show that both races were human and sinful and standing in the need of prayer.

If I were a betting man I would bet you that you'll see the day before too long that Northern Big Shots in the NAACP will get sick of South Carolina negroes, just the mention of one will make their stomachs turn upside down. Here's why. When they came down here, we negroes thought they were pawing the earth, fairly kicking up gravel. They must have worked hard enough to frazzle an ox organizing NAACP chapters and sweet-talking suckers. They drew up petitions and got negroes from far and near to sign them. They must have felt sure they had the South by the tail for a down-hill drag. From the looks of news in the papers, they must have felt mighty steady in their saddles for they sure started driving their horses at a fast gallop. Then somehow, their horses began to stumble. First one and then another. What had happened? Why were so many negroes suddenly yelling their heads off to take their names off those petitions? What had happened, you ask? Nothing new. Our negroes were just up to their old tricks. I wonder if anybody ever told them that southern negroes are the best joiners on earth but the poorest stickers when it comes to following strange negroes. As for whites who step down on an equal footing with colored folks, we might pretend to respect them but when we get off to ourselves we call them Dressed Up White Trash or say their grandpa must have had some tar in his blood.

Of course southern negroes will follow any big talker a little while if there's some excitement going on. We love excitement. But just wait till the new begins to wear off. The leader will still be marching full speed ahead, thinking we are right at his heels. After a while he has to stop to catch his breath and mop his brow. That's when he glances behind him to see how we are making out. But there's not a negro in sight. All have taken to the bushes. Many are already making fast time by short cuts to reach trusted white friends who have already helped them out of more than one tight spot. Northerners don't want to believe its like that down South so we let them think what they please. It's not our fault if they have to learn the hard way.

I've done a lot of traveling in my day and seen a lot of sights. And I'm telling the world that South Carolina is a good place for negroes who want to be good citizens. My colored brothers and sisters, pray to God to give you the wisdom to teach your children to teach their children never to let strangers come into South Carolina and mess things up for our race. Watch your step about signing petitions now and forever more. God's blessings be on you and your seed.
